"As a new coach and first-time attender, the content was great. It was extremely beneficial and not overwhelming. I loved how many strategies were modeled so we were active participants and not just listeners like many other conferences and professional developments turn out to be. Great job! I can't wait to come back!!!"

"This conference is always refreshing and I learn so much. I enjoy being surrounded by positive, liked-minded people who enjoy being challenged. The networking with other coaches is priceless."

“The variety of topics and meeting other coaches from other districts was very useful! The topics were relevant and were presented in a way that we walked away with several new ideas and resources to take back to our districts for use.”
