

The Pennsylvania Institute for Instructional Coaching (PIIC) has expanded this year with the addition of four more Intermediate Units (IUs). 24 of the 29 IUs across Pennsylvania are PIIC-participating IUs.

Northwest Tri-County IU (5), Riverview IU (6) , and Delaware County IU (25) previously participated in PIIC and have returned, while Chester County IU (24) is a new participant.

The inclusion of the four new IUs brings on four new IU PIIC Mentors and countless new coaches. Regional Mentor Coordinators, the IU PIIC Mentors' tier of support, have also expanded their groups to welcome in the new IU PIIC Mentors.
